

ware Engineer

, Germany · tom.becker.dev@gmail.com · github.com/tbecker

Candidate ID: CAND-08

Summary

Generalist software engineer with 5 years across small startups. Broad but shallow; no large-scale backend or payments ownership.

Experience

Software Engineer (Contract) — Various early-stage startups 2019 – Present

- Shipped MVP backends for several early-stage products.
- Mostly single-service apps; little distributed-systems work.

Skills

Node.js, MongoDB, AWS Lambda

Education

Full-stack Bootcamp, Le Wagon (2019)
