

Chloé Dubois

Backend Engineer — Data

Lyon, France · chloe.dubois.data@gmail.com · +33 4 72 10 5589 · github.com/cdubois

Candidate ID: CAND-15

Profile

I am a backend/data engineer with 6 years on data pipelines. Strong data engineering, but limited online transactional / payments ownership.

Technical Skills

Languages	Python
Data & Messaging	Spark, Airflow, Snowflake

Experience

Data/Backend Engineer, Lumen Insights 2019 - Present

- Own batch and streaming ETL (Spark) feeding analytics.
- Built a feature store; little online-serving or payments work.

Data Engineer, Lumen Insights 2018 - 2019

- Pipeline maintenance.

Education

MSc Data Science, EPFL (2018)

Languages

French (native), English (C1)
